01 GETTING STARTED

Enrollment & Payment

Complete the application form, then contact the school by email or WhatsApp. Our team will confirm your child's place and let you know if space is available.

Once confirmed, send proof of payment using the same contact details. Any bank charges, including international transfer fees, are the sender's responsibility.

Your child's enrollment is confirmed only after we receive full payment — until then, the place is not guaranteed. A confirmation email is sent automatically once payment has been received.

02 HEALTH & SAFETY

Medical Emergencies & Allergies

In the event of an emergency, your child will receive immediate first-aid care from trained staff and will be supervised closely until a parent arrives.

If parents or emergency contacts cannot be reached, Bamboo Valley Phuket reserves the right to make the most appropriate decision on the child's behalf, including calling an ambulance.

We rely on the medical and allergy information provided on your child's registration form. If anything was missed at registration, or needs updating, please let our office know at any time.

IMPORTANT

Parents must ensure their child has valid international health or travel medical insurance covering the entire camp period.

If your child has a food allergy, please provide a medical certificate to the school. In these cases, parents are warmly welcome to provide their child's own lunch.

03 DAILY ROUTINE

Drop-Off & Pick-Up

Camp runs from 8:45–9:00 (drop-off) to 15:00 (pick-up), Monday to Friday.

Parents and carers are asked to say goodbye to their child on the grass area in front of the classroom. For the safety and focus of the group, parents and carers are not permitted inside the classroom or near the children during camp hours — a member of staff will take it from there.

Parents or nannies of younger children who would like to wait nearby may do so at the hut by the entrance gate — close by, but out of the children's direct view.

It's natural for some children to feel unsure or even cry before saying goodbye — our staff are experienced in helping children settle in. A brief, confident goodbye helps your child adjust far more quickly than a long one, so we kindly encourage parents to keep this moment short.

For safety, we ask parents to sign in and sign out every time they drop off or collect their child. Children are released only to a parent or legal guardian — if someone else will be collecting your child, please confirm this with us in advance.

IMPORTANT

A fee of THB 300 applies per 15 minutes (or part thereof) for drop-off before 8:45 or pick-up after 15:00.

05 PRIVACY**Photo Release & Publicity**

Photography consent is collected as part of the application form, allowing parents to indicate their preference at registration.

Photos and videos from the week's activities are shared every Friday with parents who have given consent. To protect every child's privacy, we also ask parents and carers not to take photos or videos themselves while on site.

06 BEFORE YOU APPLY**Behaviour & History Declaration**

Parents confirm that their child has not been expelled, suspended, or subject to severe disciplinary action at any previous school.

Any relevant behavioural history or concerns must be disclosed in full at the time of registration.

Bamboo Valley Phuket is unable to accept children with a known history of severe behavioural problems, including aggression, violence, or serious disruption.

For the safety and happiness of every child in the group, we reserve the right to decline a child's participation where their behaviour would affect other children.

07 OUR SHARED VALUES

Code of Conduct

Every child at camp is asked to live by seven simple principles:

01	Respect & Kindness	Inclusive behaviour, polite language, and acceptance of diversity.
02	Responsibility & Integrity	Active participation and accountability for one's own actions.
03	Safety & Welfare	Following safety rules, with no bullying or violence of any kind.
04	Cooperation & Collaboration	Working positively in groups and following staff instructions.
05	Care for Property & Environment	Cleanliness and responsible use of shared resources.
06	Respect for Thai Culture	Modest, respectful dress and behaviour during off-campus activities, and courtesy toward all staff.
07	Personal Development	Positive participation that supports each child's personal growth.

08 WHEN BEHAVIOUR IS UNSAFE

Removal from Camp

Bamboo Valley Phuket reserves the right to remove a child from the programme if their behaviour is unsafe, harmful, or disruptive to themselves, other children, or staff. No refund is issued in these cases.

This includes, but is not limited to:

- Bullying, harassment, or physical or verbal abuse
- Physical aggression — hitting, pushing, kicking, or fighting
- Vandalism, theft, or intentional damage to property
- Bringing or using dangerous items
- Repeatedly ignoring safety rules or staff instructions

Our response follows three clear steps:

1	Initial Warning	A verbal warning is given to the child, with notification sent to parents.
2	Second Incident	Parents or guardians are required to collect their child early.
3	Re-Evaluation	If the behaviour continues, enrolment is terminated permanently.

Parents are responsible for any costs arising from early removal, including transportation.

09 PROGRAMME FIT

Additional Support Needs

To help us care for your child in the best possible way, please share any health information, additional care needs, or behavioural concerns with us in full at registration.

With honesty and care, we want to be upfront: Bamboo Valley Phuket is not currently able to accept children who require one-on-one or specialised support, as our programme is built around group-based care.

For the safety of every child in the group, if a child needs more support than our general group care can provide — or their behaviour falls outside our Code of Conduct, whether disclosed beforehand or not — we reserve the right to remove them from the programme immediately, without refund.
